## Remembering TYLER OLIVER

To commemorate the life of our incredibly courageous, steadfast, kind and caring student, Tyler Oliver, we have created a special area in our School garden in his memory. There is a green plaque mounted to a rock, two grevillea's which will have green flowers (Tyler's favourite color) and a beautiful white flowered lilly pilly next to the plaque.

It was very special to have Tyler's mum and grandfather come and help us with the tree planting. THANK YOU Lauren and Shane. Our hearts go out to you. 

## 2023 Community Spirit and Leadership Award

Last Friday we had a special guest come to our Assembly. Gary Maas, our local Member of Parliament, came to present the 2023 Community Spirit and Leadership Award. This Award is presented to a Year 4 student who could be regarded as a future leader in our community and displays qualities such as being considerate of others; showing a willingness to support peers; showing initiative; participating in a range of activities inside and outside of school and demonstrating leadership qualities.

The Award was presented to **Harper Neal-Wilson**, an excellent all-round, thoroughly deserving student. Congratulations Harper 😊

## Children and Road Safety – PLEASE READ

Following some recent concerns brought to our attention by Victoria Police and local residents, we are asking parents to please speak with their children about road safety and if necessary, practice with them so they know how to cross roads safely. Teachers will also be speaking with their students about road safety.

More broadly across the metropolitan area, police are seeing a rise in children being hit crossing roads. We have received reports of students from our School not checking both ways before crossing roads as well as students running across the roads in between cars. We have even had a report of four students 'playing chicken' with cars on multiple occasions, we do not know who these students are. Playing chicken with cars is fraught with extreme danger and needs to stop. Crossing the road and using a mobile phone at the same time may also be an issue. All of these behaviours are extremely risky and can very easily have tragic consequences.

If road safety discussions and practice is something your family already does, thank you, that is terrific!

## Classes for 2024

Each year in Term 4, the teachers organise students into their future class groupings for the next school year. Over the years, we have had requests from parents that their child not be placed with specific people.

Given strong and valid reasons, we can sometimes take these requests into consideration, **not always**. Information that we receive this year will be considered, **we cannot guarantee that requests made in previous years can be applied.**

Teachers will start to organise grades from 20 November.

Students will not know their class teacher or peers until the final week of school.

**Once grades have been set they are not to be changed.**

**All requests from parents must be in writing, preferably emailed, to the Principal by 17 Friday November.**

## **Parent Volunteer Group**

***Did you know, Strathaird Primary School's parent volunteer group is now called Helping Hands?***

There are no meetings, no Committee, just a School Staff member (Sharon McMahon) who coordinates the events and is the key contact. This is not a fundraising group, just a group of volunteers helping to provide special events for our students and families, such as Pancake Day, Mother's Day and Father's Day stall, second hand uniforms etc.

**We know many parents would love to help out but don't have the time. If you would love to help with School events and have the time, we would love to have you on board.**

# Student Attendance

Students learn new things at school every day and sending them to school is the single most important part of their education. This gives them the best opportunities to learn and achieve success.

Families and schools work together to encourage and support student attendance and build sustained learning opportunities.

## Parents responsibility:

Students are required to attend school everyday. If a student is absent, parents and carers **must** inform the school that their child is absent on the day or before the day of absence.

Parents will need to provide an explanation for their absence. This is a legal requirement.

How to inform the school:

- 1) Log it on the Parent Portal.
- 2) Alternative call the school (03) 9705 3800
- 3) Send an email [strathaird.ps@education.vic.gov.au](mailto:strathaird.ps@education.vic.gov.au)

## School's Responsibility:

The school must notify you of an unexplained absence in relation to your child as soon as practicable on the same day. This will be sent via a text message.

Attendance Support:

If you require further support with your child's attendance, please contact our school and speak with our Assistant Principal.

### Attendance Matters

Everyday Counts at Strathaird Primary School

If your child is absent:	That equates to:	Which is:	Which means over their 13 years of education, this is:
1 day every 2 weeks	20 days per year	4 weeks per year	Almost 1.5 years of learning.
1 day per week	40 days per year	8 weeks per year	Over 2.5 years of learning.
2 days per week	80 days per year	16 weeks per year	Over 5 years of learning.
3 days per week	120 days per year	24 weeks per year	Nearly 8 years of learning.

# What's Happening

## Helping Hands

Strathaird Primary School Helping Hands is our parent volunteer group who put their hands up to come and help at our School. There are no meetings or committees just parents who would like to help without committing to a parent group.

During the year we have key events that parents can choose to come and help. These events include:

- Pancake Day
- Chocolate drive
- Mothers Day
- Fathers Day
- 2nd hand Uniform stalls

*Some of the things you might be able to help with are:*

- Washing 2nd hand clothes for uniform stall
- Helping hand out chocolates during chocolate drive
- Fathers Day stall
- Mothers Day Stall
- Making pancakes and delivering to classes on Pancake Day

Below is a list of future dates we plan to have events. Any Parent wanting to help in any of these activities, need to have a WWC check and be inducted into our School.

MARCH	TBC	Pancake Day (S)
MAY	6th & 7th 8th 12 <sup>th</sup> May 20th May 22 <sup>nd</sup> May	Mother's Day Stalls (F) Extra Stall @ Recess Mother's day Delivery of Chocolates(F) Send home to students

# Grade 5

This term, the Grade 5 students have been investigating how the design process, skills and processes are involved in creating new inventions.

Students had to design a bridge and then build it! Students enjoyed the challenge and made sure that their bridge was able to support a toy car.

# Remembrance Day 2023 - 11th November

The Remembrance day appeal raises funds to support former and serving members of the Australian Defence Forces and dependents when in need. Most of the funds are raised through the sale of Remembrance Merchandise.

Items only available while stocks last. These can only be purchased with cash

# National Recycling Week 2023

Launched by Planet Ark, National Recycling Week (13-19 November 2023) aims to raise awareness about recycling and the waste hierarchy, which includes reducing, reusing, and recycling to minimize the strain on finite resources.

Waste and Recycling Information Night  
Monday 13 November, 6.30pm - 8.30pm

[Register here.](#)

Join us for an interesting and educational evening learning all about Waste and Recycling in the City of Casey. We'll discuss the current and future of waste disposal (Advanced Waste Processing (AWP)), Recycling, Food and Garden Waste bins and the resulting compost, soft plastics, Container Deposit Scheme (CDS) and more. Speakers will be from council as well as relevant industry speakers. This will be followed by a Q&A panel made up of the speakers, and residents will get a chance to submit questions beforehand and ask them on the night.

This National Recycling Week you can drop them off for free so they can be recycled or rehomed through a local charity. Bookings essential.

# Library / Child Safety

## Library News

The library is open for the students to borrow and return books before and after school.

Morning Hours: 8:30am-8:50am

Afternoon Hours: 3:15pm- 3:30pm

**The library will be closing on the 1st of December for the end of the year. Can you please ensure that all library books are returned before this day.**

### **Child safety and wellbeing at Strathaird Primary School information for families and the school community**

The Victorian Government has announced new Child Safe Standards to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Strathaird Primary school has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on the school website on: [www.strathairdps.vic.edu.au](http://www.strathairdps.vic.edu.au)

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact

Julie Kennedy  
Strathaird Primary School Principal

## Are your details up to date?

*Have you changed your home address, mobile numbers or work details?*

*Do you have a new parent email address?*

*Do you need to change your emergency contact details?*

If you answered yes to any of the above questions, please email the school office [strathaird.ps@education.vic.gov.au](mailto:strathaird.ps@education.vic.gov.au) and we will update the information on file.

## School Bags for sale at the office

*We have a limited number of school bags available for sale at the office.*

*School bags are \$40 each and are navy blue with a 3 colour printed school logo on them.*

*To purchase, please visit the office with cash or EFTPos OR on the QKR App.*

## 2024 Student Stationery

Information about the 2024 Student Stationery was sent home with students last week. Copies of each year level's information can be found on our school website:

<https://www.strathairdps.vic.edu.au/parent-information/payment-notifications/>

Strathaird Primary School is looking forward to another great year of teaching and learning and would like to advise you of Strathaird Primary School's voluntary financial contributions for 2024.

The student stationery supplies will be ordered in bulk class lots and **delivered directly to classrooms** for the beginning of the school year. **There will be no book collection day held in 2024.**

We have decided to purchase stationery in bulk to take advantage of the cost savings for our families. Bulk buying supplies allows us to supply all students with the correct materials to complete the curriculum and saves families the hassle of sourcing supplies themselves. We welcome all contributions towards the cost of these materials.

# Sentral for Parents App

The **Sentral for Parents** app allows families to:

- view academic reports
- explain past and upcoming student absences
- view calendar events
- book parent/teacher interviews
- receive sick bay notifications
- view school newsletters

as well as receive real-time notifications and messages from the school

## Instructions for accessing the Sentral for Parent App

1. **Download** the 'Sentral for Parents' app. Depending on your device, visit either the Apple App Store, or the Google Play Store.
2. **Search** for Strathaird Primary School. Tap Next.
3. **Sign in** using your Sentral username (your registered email address) and password (that you created when Registering). Tap Log In.
4. You are now ready to start using the app.

## If you have never registered on Sentral:

1. Click register here to register a new account. It will ask you to create a user name and password. Enter your email address as your username and create your own password. You will receive a verification email which **MUST** be verified in order to continue.
2. Once verified, log back into the app and use the access key provided by the school to link to your child's details. *The access key will be created for you once your child is attending.*

For a quick overview on how to access the Parent Portal, please watch this short video.

# Important Parent Resources

## PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

It's everyone's responsibility.

Adults at school must listen and respond to concerns about child abuse.

If you suspect abuse of any child or young person, you have a responsibility to report it, even if you are not sure.

# Make good choices

Why do you like it?

Use devices near a grown-up

Time's up

## Make good choices

Help children to think about the content they watch and how to manage their time on screens.

### Message 1: Why do you like it?

Choosing to say kind things when connecting online is a life-long skill that can help prevent cyberbullying later on. The screen image can be a stimulus to discuss the types of things you should do when video calling, like saying hello with a smile.

### Message 2: Use devices near a grown-up

Children need to be aware that digital technologies should be used with a grown-up nearby and in a shared space. Children should get used to the idea, from an early age, that devices should not be used in bedrooms.

### Message 3: Time's up.

It is important to discuss with children how they will know when it's time to turn devices off and how they will transition to another activity.

### Key questions when discussing this poster could include:

- What do you like to play on devices? What makes you like it?
- Where are these people using devices? Where are you allowed to use them?
- Have you ever been told you have been playing on a device for too long? How do you feel when that happens? What do you usually do?

# Be safe

Play with the games and apps that are yours

Only talk with people you know

Some things should be kept private

## Be safe

Help children understand personal information and how it can be protected.

### Message 1: Play with the games and apps that are yours.

Devices should be set up so children know which content is for them and that other games, programs or apps may not be suitable for them. The screen image shows the folder where the little girl can find the games and apps just for her use.

### Message 2: Only talk with people you know.

This picture reminds children that they should only video call when a grown-up is helping them, and only speak to people they know.

### Message 3 - Some things should be kept private.

In this picture the boys are creating an avatar with their Grandad. Avatars can be a practical way of showing children how they can keep their real name and identity private by creating a character to represent themselves in games.

### Key questions when discussing this poster could include:

- Do you play on your Mum or Dad's phone, tablet or computer? Do you have a special place for your games and apps? How do you know what is yours?
- Do you talk on the computer to your friends and family? Who helps you?
- Why do you think the boy in the last picture looks confused? If you were going to create an avatar for yourself what would it look like? Why?

# Be kind

Say kind things

Take turns

Ask before you take a photo

## Be kind

Teach children to be kind and respectful in digital contexts.

### Message 1: Say kind things

Choosing to say kind things when connecting online is a life-long skill that can help prevent cyberbullying later on. The screen image can be a stimulus to discuss the types of things you should do when video calling, like saying hello with a smile.

### Message 2: Take turns

Taking turns is a good way of managing time on screens and building self-regulation skills. The child in the background of this picture is sad because they have been left out of the game.

### Message 3: Ask before you take a photo.

The little boy in is taking a photo of himself with his family. The screen image depicts another time when he is asking his family if they would like to be in the photo.

### Key questions when discussing this poster could include:

- Have you ever called your family or friends on a computer or tablet like the people in the first photo? What do you think they are saying? How do you know?
- Why do you think the boy in the middle photo looks sad? What could they do to stop him feeling sad?
- Do you always ask someone if it is OK to take their photo before you take it? Why?

# Ask for help

Tell a grown-up

Check before you tap

You won't get in trouble

## Ask for help

Teach children to ask a trusted grown-up for help with any issue using digital technologies.

### Message 1: Tell a grown-up.

It is really important for children to know that if something makes them feel worried, scared or sad when they are using a device they should tell a grown-up.

### Message 2: Check before you tap.

Before children use a device, they should ask a grown-up. The picture shows the little boy asking if he can play a new video he has not seen before.

### Message 3: You won't get in trouble.

When children are playing with digital technology often things happen that they didn't expect. It can be the same for grown-ups too! Children need to know that if something unexpected happens, they should tell a grown-up. They should be assured that the grown-up will know it was important for the child to share the problem even if it happened because they made a mistake.

### Key questions when discussing this poster could include:

- Have you ever seen something that made you feel worried, scared or sad when you were playing on a tablet? Who would you tell? What do you think they would say?
- Who do you ask before you play, watch or tap on something new on a device?
